

Companies with Matching Gift Programs

Did you know that many companies sponsor matching gift programs and will match charitable contributions made or volunteer hours served by their employees? Matching gifts are an easy way to increase the impact of your personal gift or your volunteer contributions to the Prison University Project.

See the list of below companies with a reputation for matching donations or volunteer hours. Even if your company isn't on the list, it may still match donations or volunteer hours. Check with your HR department.

Questions? Write to development@prisonuniversityproject.org.
